

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is clearly unfair to all political parties presenting a presidential candidate in the November election.

The timing of Sinclair's proposed broadcast is egregious and suspect.

Most Americans want our election process to mirror the democracy we take pride in. Please consider whether the showing of Stolen Honor this late in the campaign serves the public interest, especially when Sinclair seems to be forcing its stations to air it. Thank you.
